Please answer the following questions for a maximum of three pages (add separate pages as necessary):

1. Why do you think your school should be selected for the United We Create scholarship program?
2. Is there a particular need or challenge your school faces which United We Create can help meet? For example, *the school is on character education to promote positive behaviors and reduce instances of bullying.*
3. Describe your school's climate. Please include how your school addresses or needs to address access to arts education, anti-bullying, diversity and inclusion, access to resources about Muslim cultures.
4. Describe your student body. Please share the ethnic and socio-economic breakdown, cultural and religious (if known) makeup, and any other relevant details.
5. Programs will be available virtually or in person. Please indicate which format your school prefers. Please check all that apply:
  - Live-streamed
  - Recorded
  - Hybrid (Combination of recorded with Live Q & A with the artist)
  - In Person
6. Several of the components in this project must take place during the school day including assemblies and sixteen (16) in-class student workshops. How do you anticipate scheduling time for the artists to work with students during the school day? How do you anticipate scheduling time for two 90-minute PD workshops for teachers and administrators?
7. What community partners will you invite to participate in the Family Arts/Community Event? How will they connect to the United We Create program? Will this be an evening or daytime event?
8. The family engagement workshop is available virtually or in person. Please indicate which format your school prefers. Please check all that apply:
  - Live-streamed
  - Recorded
  - Hybrid (Combination of recorded with Live Q & A with the artist)
  - In-person
9. Are you currently receiving arts funding from any other grants or organizations?
  - No
  - Yes, please describe the projects you are doing
10. To participate in UWC, it is required that schools assist with facilitating the assessment of the program, which will involve participants taking online pre- and post-assessment surveys. We will also ask selected schools to participate in the deeper assessment that may include student, educator, and administrator interviews and a student focus groups. Do you anticipate any barriers to assisting with the assessment described above?
  - No

- Yes, please explain
